Documentation "Genocide on the Christians in the Ottoman Empire"

In 2015 Simon Jacob, freelance journalist and former chairman of the Central Council of Oriental Christians in Germany e.V. had the opportunity to visit the archives of the Genocide Center in Yerevan. During an exclusively organized visit to the Genocide Museum together with Professor Anahit Khosroeva, one of the leading genocide researchers, who also teaches at North Park University in Chicago, he was even allowed to film. After the visit he had the opportunity to conduct a very informative interview with Professor Khosroeva. During this interview, it was explained in more detail which conditions are necessary to turn a genocide into a genocide within the legal framework. Turkey's countermeasures, which were and still are aimed at suppressing the historical facts, were also discussed in a factual and objective manner.
